

James O. Poag Jewellers Donates \$5,000

James O. Poag Jewellers Ltd. was established in 1959 and has grown to have the largest selection of clocks and watches in Ontario. The Poag family has always been involved with the community, and when asked to support the hospital, they were pleased to make their pledge of \$5,000. Due to generous supporters like the Poag family, patients will soon benefit from the new ambulatory care centre, and a redesigned emergency department. Pictured presenting their pledge on behalf of the Poag family to Sue McLean of the Foundation are Jeff Poag and Jim Poag Jr.
